EPISCOPALIAN:
STATEMENT OF FAITH AND BELIEFS//CREATION..
We have resolved that the theory of evolution provides a fruitful and unifying scientific explanation for the emergence of life on earth, and that an acceptance of evolution in no way diminishes the *centrality of Scripture in telling the stories of the love* of God for the Creation

ROMAN CATHOLIC:
LEADERSHIP POSITION ON CREATION
George Coyne, the Vatican's chief scientist for years, stated that intelligent design is not science even though it pretends to be and therefore it should not be taught in any schools or universities...
Pope Francis in 2014 stated that "When we read about the creation in Genesis we run the risk of imagining God as a magician, with a magic wand able to do anything he wants..that is not so. HE WENT ON TO SAY...both evolution and the big bang are not incompatible with the existence of God....

UNITED METHODIST CHURCH:
OFFICIAL STATEMENT ON CREATION GENESIS OF OUR UNIVERSE BY THE **UNITED METHODIST CHURCH** STATES THAT We recognize mainstream science as the legitimate source for the interpretation of the beginning of God's natural world...

THE INTERNATIONAL THEOLOGICAL COMMISSION:
OFFICIAL STATEMENT ON THE GENESIS OF THE UNIVERSE.The universe erupted into existence some 15 billion years ago with a great explosion we call the big bang. Earth, a product of that explosion, cooled for 10 billion years. And the first organism appeared some 3.5 billion years ago and every living organism on earth has descended from that organism...
